

Kemco Aerospace Machining Scholarship

Kemco Aerospace Manufacturing is a diversified solutions provider for the aerospace and defense industries. They employ stringent control and lean manufacturing practices to deliver certified, flight critical components that exceed exacting quality, cost, and delivery standards. From precision manufacturing to innovative engineering services, Kemco Aerospace Manufacturing is the partner of choice for a wide range of aerospace and defense applications.

The amount of the scholarship awards vary and are determined annually by the Scholarship Coordinator. These scholarships can be applied to all educational expenses including tuition, books, tools and housing.

Selection will be based on the following criteria:

- Must be enrolled full-time
- Must be enrolled in a machining program
 - Advanced Manufacturing Technology
 - Precision Machining Technology
- Must have a "Meets" or "Exceeds" expectations on work ethic grade (if not first-time student)
- Student(s) that have graduated from Soldan High School, St. Louis, MO are the highest priority to receive scholarship awards
- Second priority is given to student(s) that have graduated from a high school within the St. Louis City limits
- Third priority is afforded to student(s) that have graduated from a high school within State of Missouri
- Complete scholarship application before the applicable deadline

Interested applicants should send their completed application to:

Ranken Technical College
Financial Aid Office
4431 Finney Avenue
St. Louis, MO 63113.

Selection of the scholarship recipient will be made by the Ranken Scholarship Committee.

Deadline: June 1st
