ASSUMPTION OF THE RISK FORM

I agree that as a participant of the **2018 Summer STEM Academies for Educators** at Ranken Technical College (the "College") scheduled for July 16–20, 2018, I am responsible for my own well-being. I accept this condition of participation, and I acknowledge that I have been informed of the general nature of the risks involved in this activity.

I hereby grant to the College and to the press and media, the right to photograph, videotape, or otherwise digitally collect my likeness, voice and sounds (as "Works") during my participation in the Ranken Summer STEM Academy. I further acknowledge that these cooperating entities have the right to use or sublicense these Works in all forms and for all purposes, including without limitation, advertising and other promotions for the academy.

I understand that in the event of accident or injury, personal judgment may be required by College personnel regarding what actions should be taken on my behalf. Nevertheless, I acknowledge that the College personnel may not legally owe me a duty to take any action on my behalf. I also understand that it is my responsibility to secure personal health insurance in advance, if desired, and to take into account my personal health and physical condition.

I further agree to abide by any and all specific requests by the College for my safety or the safety of others, as well as any and all of the College's rules and policies applicable to all activities related to this program. I understand that the College reserves the right to exclude my participation in this program if my participation or behavior is deemed detrimental to the safety or welfare of others.

In consideration for being permitted to participate in this program, and because I have agreed to assume the risks involved, I hereby agree that I am responsible for any resulting personal injury, damage to or loss of my property which may occur as a result of my participation or arising out of my participation in this program, unless any such personal injury, damage to or loss of my property is directly due to the negligence of the College. I understand that this Assumption of the Risk form will remain in effect during my visits and program-related activities of this program.

Also, in consideration for being permitted to participate in this program, and because I seek to promote and integrate STEM-related activities and subject matter into my classroom curriculum and/or school, I agree to provide feedback to Ranken Technical College in regard to my experience in the Summer STEM Academy for Educators before exiting the workshop and once again in fall 2018 once I have had an opportunity to integrate what I have learned into my curriculum.
