DECORATING POLICY

Ranken respects student's rights of expression and recognizes the importance for residents to make residential units an expression of their personality.

However, the College expects students to be responsible and show good taste when decorating. Residential life staff members have the right to ask residents to remove decorations that may be considered racist, sexist, discriminatory, pornographic, or offensive.

If the resident refuses to do so the residential life staff member may confiscate the item and the resident will be subject to disciplinary action for refusal to remove the object(s).

Students can decorate residential units but must adhere to the following restrictions:

1. Painting walls, ceilings, floors, fixtures or furniture is not permitted.
2. DO NOT use 3M brand or similar products on walls or wood surfaces. Mounting tape, scotch tape, double sided tape, poster tape, packaging tape, electrical tape, duct tape, and putty are NOT allowed. Residents will be charged for damages caused by these products.
3. Wallpaper, border paper, stickers, or anything that will permanently adhere to the wall or furniture is not allowed.
4. Posters, pictures, bulletin boards, and other decorations may be hung on walls using thumbtacks and small nails only. Anything used to hang items to a wall must be completely removable and not cause damage to painted wall surfaces. Any material that may leave a sticky residue after being removed is not allowed. Screws and large nails are not allowable hardware for mounting objects to the wall.
5. Paper with adhesive backing is not permitted to line drawers or shelves.
6. Items cannot be hung from fire sprinkler heads or pipes. Damage to sprinkler heads could result in flooding for which the resident(s) would be held financially responsible.
7. No items can be hung from the ceiling or fixtures or in any window or doorway.
8. No items can be placed or hung on the front doors of residential units unless posted by a residential life or public safety staff member (ex: a note, letter, door decoration, form or flyer taped to the front of a door).
9. Empty alcohol containers or soda cans or bottles may not be used as decorations.
