## Mission

---

Ranken Technical College is a private, nonprofit, degree granting institution of higher learning whose primary mission is to provide the comprehensive education and training necessary to prepare students for employment and advancement in a variety of technical fields.

---

## Institutional Purposes

The purposes of Ranken Technical College are:

- To provide education in current and leading-edge technology that develops critical thinking and problem-solving skills.
  - To incorporate general education into all programs to provide students with communication, scientific, mathematical, information technology, human relations, business, and life skills along with an appreciation for continuous lifelong learning.
  - To instill within Ranken students the work ethic attributes in demand by industry, including honesty, ethical standards, dependability, industriousness, commitment to quality, craftsmanship, courtesy, professionalism, teamwork, professional appearance, and safety consciousness.
  - To provide continuing education and customized workforce training in various technical careers.
- 

## Value / Vision Statements

The vision statements for Ranken Technical College define the framework for how the College will accomplish its mission and purposes. Ranken Technical College shall:

- Be a leader in providing innovation and technical education for a highly skilled 21st century workforce.
- Provide an environment which promotes diversity, equity and inclusion, while leveraging the valuable and unique contributions of all Ranken community members
- Actively engage itself in workforce development and community issues.
- Continuously explore new areas of technology for inclusion in existing programs as industry demand and market conditions dictate.
- Pursue opportunities for growth and expansion, compatible with the College mission and appropriate to its resources, which address the needs of industry, the community, and students.
- Support a continuous improvement process that assesses and improves the quality of education in terms of content, delivery, student learning and competency.
- Ensure faculty and staff possess the requisite knowledge, education, experience, and motivation to perform their varied roles.
- Provide student support services necessary to promote persistence and success from enrollment to employment.
- Furnish students with opportunities to engage outside of the classroom, including student activities, service projects, and work-based learning, to enhance their overall development.
- Foster a climate in which employees experience a high level of job satisfaction.
- Manage resources in an ethical and responsible manner to meet current and future challenges.
- Foster an environment of high standards in terms of conduct, ethics, professionalism, and craftsmanship, not only for students, but for all members of the Ranken family.
- Treat all members of the Ranken family - students, alumni, employees, financial supporters, employers, and visitors - with dignity and respect by conducting business in a professional and responsible manner.
